

GLOBUS

ELITE 150

Special Functions

150 PROGRAMS

30 Sport - 60 Fitness & Wellness - 45 Beauty & Aesthetics - 5 Rehab - 10 Tens

ELITE 150: is an innovative electro stimulator created by Globus, a market leader in this field for more than 20 years.

ELITE 150: is an Electro stimulator dedicated to Women, to whom it offers Fitness, Beauty and health in the at hands reach. But Elite 150 is dedicated also to those Men mainly oriented to fitness, Wellness and health, rather than the pure sport performance.

ELITE 150: distinguish itself by completing the effect of a sport session, also for those who practice a regular sport, athletes for whom it is difficult to increase the toning and the aspect of some muscles.

GRAPHIC LCD DISPLAY

FAST MENU: For faster and user-friendly menu navigation

MY TRAINER: My Trainer shows images of the electrodes positioning on the screen

MAN/WOMAN: ELITE 150 is the perfect answer to the needs of both the man and woman body. The programs are classified according to gender to respect the physiological differences between men and women in order to enhance results

SYNCRSTIM: Allows increasing simultaneously the intensity of all channels with the touch of one button.

FITNESS & PHYSICAL SHAPE: Having a lively body, always in good shape is the mirror of an active lifestyle. Globus Elite 150 is your personal gym that, thanks to its toning and body sculpting programs helps you to develop a perfect and attractive body, giving you a great charge of vital energy.

BODY & BEAUTY: Thanks to the large program range that includes Lipolysis, drainage, toning, sculpting, lifting and Vascularisation programs, Globus Elite 150 enhances the harmony of your body and helps you to express beauty and vitality.

AN ACTIVE LIFE: The best high level athletes use the muscular electro stimulation to improve their physical shape and sports performances. Thanks to Globus Elite 150 you will have the possibility of training with extraordinary results your Force, Power, Resistance and Endurance and practice "as a champion" your favourite sport.

HEALTH & WELL-BEING: Backache, cervical pain, sciatica, articular and muscular pain often make us depressed and preoccupied. The endorphinic, constant and modulated TENS currents eliminate the pain day by day, giving us back health, well being and all the pleasure of life.
